

## **David Vasquez - Director of Community Engagement**

**Bilingual:** English/Spanish

With experience as a mental wellness counselor and currently employed within the WCCUSD, David Vasquez brings effective strategies for youth development. His history of community outreach, civic engagement and activism for the disenfranchised underscores his heart for the people and the desire to see lives transformed for the glory of God. With deep roots in the local community, he optimizes his trusted relationships and understanding of the challenges facing transitional-aged individuals to develop impactful partnerships.

Whether in the school system or leading localized engagement efforts, David makes his greatest impact through love and tireless dedication to inspire all he serves. He believes that uplifting youth while providing support to the unhoused population will cultivate stronger more resilient neighborhoods in Marin. David's compassionate leadership and commitment to advancing the next generation make him an invaluable asset to the Above the Influence team. When he's not dedicated to his work, David loves spending quality time outdoors with his lovely wife and four children, three of whom are adopted.
