

Michele Forsythe - President

As President, Michele Forsythe brings over 25 years of experience working in the nonprofit sector throughout Marin and San Francisco Counties. A Marin County native, born and raised, Michele earned her college degree in Marketing from San Francisco State University.

Michele believes firmly that by pouring into the next generation at an early age, they will bypass many of the setbacks and lack of opportunity that transitional-aged youth often face without mentorship and direction. Driven by this passion, Michele is more than qualified to handle all aspects of the Above the Influence Network as its President.

Michele brings a high level of integrity and expertise to her craft, with meticulous attention to detail and a genuine humility and love for all people. In her spare time, she loves pouring into her two young grandchildren while spending time with her daughter and son-in-law. Michele also finds great joy in meeting new people and donating much of her time to community-led initiatives and groups.

With her deep roots in Marin County and her unwavering commitment to empowering youth, Michele is the ideal leader to guide the Above the Influence Network in fulfilling its mission of uplifting the community.
